

Romar Beach Baptist Church

Summer Youth Beach Retreat

Dear Youth Church Leader,

Please let me share with you information on the new retreat center on the Gulf of Mexico that is part of our new facility. The entire top floor (5th) consists of dorm rooms and VIP suites for use by churches on retreats, mission trips, and conferences. A large balcony overlooks the gulf. Laundry room, commercial kitchen, and ice machine are available.

The opportunities for mission service are unlimited, both through our church and the Baldwin Baptist Resort Ministries. Recreational activities and fabulous restaurants are bountiful in Orange Beach. God has blessed us with wonderful facilities that need to be used more than a couple of days per week. We are willing to share them with you. However, use is limited to Christian or church groups on retreats or mission trips.

Please call me at 251-971-8400 or Don Taylor at 251-752-2366 for more information.
