Conferences, Children's Retreats or any other
Christian Function.**

Balcony Views

The new Lighthouse Christian Retreat Center, directly on the Gulf of Mexico, is part of our new facility. We have three (3) separate dorms and two (2) VIP suites that have access to large balconies that overlook the gulf and beaches. (100 beds) A spacious fellowship hall is available for Bible studies, conferences and meetings. We have a well equipped and spacious commercial kitchen with a large ice machine.

Spacious Fellowship Hall for Meals, Bible Studies and Conferences (145 capacity)

**Large Commercial Kitchen
With Ice Machine & Large Refrigerator**

**Comfortable Lounging Areas,
Phone and well-lit Hallways**

We have two (2) VIP Suites that are available for leaders of groups, pastors, ministerial staff and their spouse. Each room has two double beds, a dresser, table, chair and full private bath. Each room has a small refrigerator, microwave and coffee maker.

Looking East and West from the fourth floor. We do outreach on the beach with water bottles, popsicles, and Frisbees. We hope to have a regulation volleyball court in place for 2009.

The Worship Center will accommodate up to 450 people and is available for special services, preaching conferences and Bible studies, such as pastor's conferences, FAITH Evangelism conferences and Biblical teachings. Jesus often taught His disciples by the sea. It is quiet and tranquil and will be a getaway that will lift your group's spirit and enthusiasm. Our facilities are also available for weddings and other special events.

One of our ministry opportunities is Kids Klub, which we offer in the summer and Parent's Night Out in the off season. We have popcorn, snow-cones, movies, games, activities and Bible stories for our area children.
